INTERACTIVE SESSION - VISUALS

VISUALS

Break into 4 groups of 3-4 people each.

The interactive session is going to be broken into two parts:

- 1) Field work – create 2-3 images you would post on social media.
- 2) Create the messaging around the images.
- 3) Share and discuss with the group.

Tools you can use:

Selfie stick

A couple of logo props

Flip chart

Your deliverables...

Come back with the following:

- Identify which social media platform you will use
- Who is your audience
- 2-3 images you would use for your post
- The message for the post

A photograph of a large, multi-tiered waterfall cascading over dark, jagged rocks. Two people are visible: a man standing on a rock in the upper middle section, and a woman sitting on a rock in the lower right section. The water is white and frothy from the falls.

Caribbean Export Development Agency

1 June · 🌐

The Caribbean Export Development Agency (Caribbean Export) in partnership with the Caribbean Development Bank has kicked off the inaugural activity of the Women Empowered through Export (WE-Xport) programme with a two-day workshop aimed at increasing participating firms' and regional business support organisations' (BSOs) access to finance. Access to finance has been identified as one of the largest hindrances to businesses in their efforts to expand. [523 more words]
